Club Championships 2002

Gents Club Championship.

This year's championship was between Kenny Campbell and George Smith. Playing to a gallery of supporters the close match was finally won by Kenny 3 and 1.

Junior Club Championship

This is the first time that the junior club championship has been held since 1998, so it was a very proud day for the junior convenor and helpers that we have managed to turn round the juniors and finally get a championship played for.

The championship was between James Stewart and Alisder Brown, again playing to a gallery of supporters the match was very close. James won the match by 2 holes - securing his win with a par on the 18th.
